

Motor Vehicle Sales and Expenditures for Automotive Products and Services in the United States

In compliance with federal regulations, sales data for individual manufacturers is not available from the U.S. Department of Commerce (or any other federal agency). Two often quoted industry sources are:

- [Automotive News](#), a weekly newsmagazine, telephone 313-446-6000
- [Ward's Automotive Reports](#), a weekly newsletter, telephone 810-357-0800.
